10.00am - 12.30am	10.30am - 1.00pm
2.00pm - 4.30pm	2.30pm - 5.00pm

All weekend parties are for two and a half hours and are charged per head and require a minimum of 12 guests, including the party child and a maximum of 25. Food is included in the price and in the case of a joint party, only one free child place applies.

Any additional adults or siblings not included in the party will be charged the normal daily admission charge.

We ask that the guest list and food order is sent via email at least two days before the party so the guests can register on arrival. Any names not on that list will be expected to pay an admission charge. The guests will be added to the bill on arrival and the catering will reflect that number, so that only those attending on the day will be paid for, with a minimum of 12 to include the Birthday child. The party bill must be paid in full on completion of your party. The bill must be checked at the time as any discrepancies cannot be rectified later.

All parties have the use of a private party room for the full two and a half hours, a fully trained party host, and time to enjoy both the indoor and outdoor areas of the park.

Please be aware there will be other parties running on the day.
